## PROJECTS

### COINWATCHER

July 2023 - Sep 2023

- Collaborating with a team of 5 to develop a **finances tracking and investment** app.
- Utilized **Node.js** with **MongoDB**, achieving efficient and scalable server system and an 100% cutback on initial deployment costs by using Railway.app for hosting.
- Train a **machine learning** model that recommends small-cap stocks for users' daily savings investments, trained on 5 years of data from 50-60 companies.

### CHRONOS

April 2023 - July 2023

- Independently conceived, engineered, and launched a comprehensive **full-stack app** with an **offline database** and **Flutter** front-end on Play Store, enabling users to schedule reminders for events with flexible yet crucial timelines on a weekly basis
- Conducted usability testing with a group of **30 beta users**, receiving overwhelmingly positive feedback on the intuitive design and user-friendly interface.

### AREA - 51

Mar 2023 - April 2023

- Crafted and engineered an **intuitive and visually appealing UI** for an ecommerce platform specializing in second-hand electronic appliances.
- Built while learning the workings of **BLoC state management** through the project and optimized app by 40%

## ACHIEVEMENTS

- **Secured 1st rank in Expressions** - Inter-school poetry writing competition hosted by St. Francis' College, Lucknow.
- **Secured 2nd rank in Codigo** - A freshers' Coding Contest conducted during Vashisht tech fest.
- **Top 41 in 835** - Ranking in a Start-A-Thon for raising INR 700k at a INR 10 million evaluation for our startup team, conducted by JITSIE and IIT Madras e-cell

## WORK EXPERIENCE

### Software Developer Intern

Heyday

Feb 2023 - Mar 2023

- Worked on developing a **Flutter front-end**, completing the dashboard in **45 days**.
- Helped in design and prototyping for the app UI in Figma for **user research showcase** to a sample set of 30 users

## Skills

### PROGRAMMING

Dart • Python • Java • C/C++ (Proficient)  
JavaScript • SQL • Go (Familiar)

### TECHNOLOGIES

Flutter • Firebase • Figma • Webflow • Jupyter • MongoDB • Fusion360

### Languages

English • Hindi

## Education

B. Tech. Mechanical

Indian Institute of Information Technology,  
Design & Manufacturing, Kancheepuram

2021-2025
